Re: Annual Well Operation Report

Dear Operator:

Underground Injection Control (UIC) regulations require you to submit an annual report of injection activities to the Environmental Protection Agency. A report is due for each well for which a form is enclosed. You may use either the enclosed form, or any other format that includes the required information. Please submit the report(s) via postal mail, within 30 days of the date of this letter to:

**Mr. Hillol Ray**  
**Water Resources Section (6EN-WR)**  
**Environmental Protection Agency**  
**1445 Ross Avenue**  
**Dallas, Texas 75202-2733**

If you prefer, you may submit the report(s) as an attachment **with an e-mail to:** [ray.hillol@epa.gov](mailto:ray.hillol@epa.gov); or, **via fax # 214-665-2168 (Attention: Mr. Hillol Ray).**

The UIC permit for a well may require you to provide information in addition to that shown on the enclosed form. Submit that information with your report on a separate sheet of paper. Please review the permit for each of your injection wells to be sure that you are reporting all information required.

Data reported must be accurate and supported by your records. Federal UIC regulations require you to keep copies of monitoring reports and supporting records for at least three years.

If you have questions, please contact Mr. Hillol Ray of my staff, at 214-665-7502.

Sincerely yours,

Willie Lane, Jr.  
Chief  
Water Resources Section
